Dear 1st Grader,

Congratulations on beginning a new year of reading! Because **reading is a fundamental part of our students' education, we are strongly encouraging summer reading!** This summer we are continuing our "Sunshine" Summer Reading program and YOU can be a part of the fun!

This booklet contains a reading log for you and your parents to record all the books you read during your summer break. You can be a "Sunshine Breakfast Star" by reading "10" books this summer!

We will have a special breakfast the first week of school for all the students who met their individual class goal. I know YOU can be one of those students!

There will also be special prizes for the "top student" in each class and for the participating students in the "top class". These categories are based on the number of pages read.

Now what are you waiting for? Grab a good book and begin your "summertime" reading today!

Looking to your success,

Anna J. Floyd,
Head of School
